

Training schedule at AARM, Haringhata to be organised by WBLDCL for the FY 2023-24

Annx-1

SINo.	Title Of The Training	Tentative Date		Total Duration	Total Hours	Remarks
		From	To			
1	Certificate Course On Technical Line Supervisor- Based On Broiler Integration Operation- (6 Weeks)	01.05.23	10.06.23	6 Weeks(4 Weeks Theory And 2 Weeks Practical)	Theory -52 Hours Practical-36 Hours Total- 88 Hours	For 12 th Pass Unemployed Youths Who Wish To Become Technical Line Supervisor Of Broiler Integration Operation.
		3.7.23	12.8.23			
		4.9.23	14.10.23			
		4.12.23	13.1.24			
		6.2.24	17.3.24			
2	Certificate Course On Commercial Layer Farm Management	1.5.23	26.5.23	4 Weeks Theory And Practical	Theory -58 Hours Practical-45 Hours Total-103 Hours	For 12 th Pass Unemployed Youths/Farmers Who Wish To Develop Skill And Entrepreneurship In Commercial Layer.
		7.8.23	1.9.23			
		4.12.23	29.12.23			
3	Certificate Course On Profitable Duck Farming	29.5.23	3.6.23	6 Days Theory And Practical	Theory -20 Hours Practical-04 Hours Total-24 Hours	For 10 th Pass Unemployed Youths/Farmers Who Want To Develop Skill And Entrepreneurship In Profitable Duck Farming.
		28.8.23	2.9.23			
		18.12.23	23.12.23			
4	Certificate Course On Poultry Health Management	5.6.23	10.6.23	6 Days Theory And Practical	Theory -14 Hours Practical-10 Hours Total-24 Hours	For Veterinary Graduates, Technical Staff And Managers From The Poultry Industry Who Wish To Learn More About The Nature, Diagnosis And Control Of Infectious Diseases Of Poultry.
		6.11.23	11.11.23			
5	Certificate Course On Entrepreneurship Development Programme For Small And Medium Scale Meat Processing &Value Addition	26.6.23	30.6.23	5 Days Theory And Practical	Theory – 10 Hours Practical- 10 Hours Total-20 Hours	For 12 th Pass Unemployed Youths/Farmers Who Want To Develop Skill And Entrepreneurship In Meat Industry.
		19.2.24	24.2.24			
6	Certificate Course On Meat Quality Management &Hygienic Meat Production	3.7.23	7.7.23	5 Days Theory And Practical	Theory -12 Hours Practical-08 Hours Total-20 Hours	For Technical Staff, Plant Managers Of Meat Plants.
		18.9.23	22.9.23			
		6.11.23	10.11.23			
		26.2.24	1.3.24			
7	Certificate Course On Meat Plant Technician	10.7.23	22.7.23	02 WeeksTheory And Practical	Theory – 24Hours Practical- 24Hours Total- 48 Hours	For 12 th Pass (Science) Unemployed Youths Who Want To Develop Skill In Meat Industry.
		11.9.23	23.9.23			
		4.12.23	16.12.23			
		13.2.24	25.2.24			
8	Certificate Course On Commercial Goat &Sheep Farming &Entrepreneurship Development	10.7.23	15.7.23	6 Days Theory And Practical	Theory -16 Hours Practical-08 Hours Total-24 Hours	10 th Pass Farmers Who Want To Develop Entrepreneurship In Goat &Sheep Farming.
		18.9.23	23.9.23			
		9.10.23	14.10.23			
		18.12.23	23.12.23			
		8.1.24	13.1.24			
9	Certificate Course On Dairy Animal Management &Clean Milk Production	24.7.23	29.7.23	6 Days Theory And Practical	Theory -16 Hours Practical-08 Hours Total- 24 Hours	10 th Pass Farmers/Members Of Dairy Cooperative Societies Interested In Commercial Dairy Farming.
		4.9.23	9.9.23			
		9.10.23	14.10.23			
		11.12.23	16.12.23			
		15.1.24	20.1.24			
		13.2.24	18.2.24			

						Annx-2
SINO.	Title Of The Training	Tentative Date		Total Duration	Total Hours	Remarks
		From	To			
10	Certificate Course On Comprehensive Pig Farming & Innovative Pig Production Practices	31.7.23	12.8.23	02 Weeks Theory And Practical	Theory - 24Hours Practical-24Hours Total-48 Hours	10 th Pass Youth And Farmers Interested In Piggery.
		11.9.23	23.9.23			
		4.12.23	16.12.23			
		8.1.24	20.1.24			
		5.2.24	17.2.24			
		4.3.24	16.3.24			
11	Food Safety Certification Course	14.8.23	19.8.23	6 Days Theory And Practical	Theory - 16 Hours Practical- 08 Hours Total-24 Hours	B.Sc. Or B. Tech. In Food Technology, Dairy Technology, Biotechnology, Agriculture Science, Or Biochemistry.
		18.12.23	23.12.23			
12	Certificate Course In Feed Technology	21.8.23	2.9.23	02 Weeks Theory And Practical	Theory -24Hours Practical-24Hours Total-48 Hours	Pass In 12 th /VHSE [Diploma In Mechanical/ Electrical/Software Engineering, ITI Desirable]
		11.12.23	23.12.23			
13	Certificate Course On Fodder Production And its value addition	4.9.23	9.9.23	06 Days Theory And Practical	Theory -16 Hours Practical-08 Hours Total-24 Hours	Progressive Farmers, Agricultural / Veterinary Graduates Involved In Extension Of Fodder Development, Production, Processing, Certification And Marketing Of Quality Fodder Seeds
		6.11.23	11.11.23			
		18.12.23	23.12.23			
		19.2.24	24.2.24			
14	Certificate Course On Socio Economic Impact Of Livestock Diseases	4.9.23	8.9.23	05 Days Theory And Practical	Theory -16 Hours Practical-04 Hours Total-20 Hours	M.V.Sc. / M.Sc/ Ph.DIn Any Discipline Or Any Social Sciences
		18.12.23	22.12.23			
15	Certificate Course On Surveillance, Forecasting And Modelling Of Livestock Diseases	11.9.23	15.9.23	05 Days Theory And Practical	Theory -16 Hours Practical-04 Hours Total-20 Hours	M.V.Sc. / M.Sc/ Ph.DIn Any Discipline Or Any Social Sciences
		15.1.24	1			
			9.1.24			
16	Certificate Course On Laboratory Technician For Eco-Friendly Food/Feed Testing Laboratory	18.9.23	30.9.23	02 Weeks Theory And Practical	Theory -24 Hours Practical- 24 Hours Total-48 Hours	Science Graduates
		4.12.23	16.12.23			
		15.1.24	27.1.24			
		4.3.24	16.3.24

SI No.	Title Of The Training	Tentative Date		Total Duration	Total Hours	Basic Eligibility	Remarks
		From	To				
17	Hands on training program on "Isolation Estimation and Identification of unknown protein"	17-04-2023	27-04-2023	10 Days Theory cum Practical	Theory(lab based) -5 Hours Practical-35 Hours Total- 40 Hours	Masters in Science	for exposure towards further higher study and research or scientific jobs
		04-03-2024	14-03-2024				
18	Training Programme in Molecular Cloning & Protein Expression (including Gibson assembly)	02-05-2023	31-05-2023	26 days Theory cum Practical	Theory -4 Hours Practical-100 Hours Total-104 Hours	Masters in Science	for exposure towards further higher study and research or scientific jobs
19	Training Programme on CRISPR (gene knock-out in Zebrafish)	05-06-2023	15-06-2023	10 Days Theory cum Practical	Theory(lab based) -5 Hours Practical-35 Hours Total- 40 Hours	Masters in Science	for exposure towards further higher study and research or scientific jobs
20	Certificate course on Laboratory Animal Sciences	03-07-2023	01-08-2023	26 Days Theory cum Practical	Theory -38 Hours Practical-14 Hours Total-52 Hours	Masters in Science	for exposure towards further higher study and research or scientific jobs
21	Primary orientation programme on Laboratory Animal Sciences	14-08-2023	30-08-2023	15 Days Theory cum Practical	Theory -30 Hours Practical-30 Hours Total-60 Hours	Masters in Science	for exposure towards further higher study and research or scientific jobs
22	Certificate course on molecular modelling and protein docking	11-09-2023	21-09-2023	10 Days Theory cum Practical	Theory(lab based) -5 Hours Practical-35 Hours Total- 40 Hours	Masters in Science	for exposure towards further higher study and research or scientific jobs
23	Isolation of genetic materials from different sources (GDNA from Tissue, Blood and Bacteria, plasmid DNA, RNA isolation a quantification) and transformation	04-12-2023	14-12-2023	10 Days Theory cum Practical	Theory(lab based) -5 Hours Practical-35 Hours Total- 40 Hours	Masters in Science	for exposure towards further higher study and research or scientific jobs
24	PCR, RFLP and Transcriptome analysis using RT-PCR	08-01-2024	18-01-2024	10 Days Theory cum Practical	Theory(lab based) -5 Hours Practical-35 Hours Total- 40 Hours	Masters in Science	for exposure towards further higher study and research or scientific jobs
25	Basic Instrumentation handling of the Lab	19-02-2024	29-02-2024	10 Days Theory cum Practical	Theory(lab based) -5 Hours Practical-35 Hours Total- 40 Hours	Masters in Science	for exposure towards further higher study and research or scientific jobs
NB: Theory class of SI.no. 17,18,19,20,21,22,23,24 & 25 will be stand alone in the lab and all the above mentioned training programmes depend solely upon the availability of required instrument, reagents and technical manpower preceding the dates as depicted							

SI No.	Title Of The Training	Tentative Date		Total Duration	Total Hours	Basic Eligibility	Remarks
		From	To				
26	“Administrative Technical Refresher Training for Newly Recruited Assistant Director ARD (Fodder)”	29-05-2023	07-06-2023	10 Days Theory cum Practical	Theory - 58 Hours Practical- 16 Hours Total- 74 Hours	Newly Recruited AD, ARD (Fodder) under the Directorate of AR&AH, ARDD	Refresher Training for newly joined AD, ARD (Fodder)
27	1 st Phase of Maitri training	19-06-2023	18-07-2023	30 Days Theory cum Practical		MAITRI	45 personnel
